STRATA CORPORATION INSURANCE COVERAGE

The Strata Corporation's policy typically "insures against all risks of direct physical loss or damage to the property insured", subject to exclusions and applicable deductible.

Insured property is the building as it was delivered by the developer at the time of completion of construction. Insured property includes the fixed structure, permanently installed original fittings and fixtures, mechanical equipment and machinery, fire suppression systems and common assets.

The Strata Corporation's policy notable does **NOT** provide coverage for loss or damage to:

- * Strata Lot owner's and/or tenant's personal property,
- * Strata Lot owner's betterments and/or improvements to strata lot,
- * Strata Lot owner's and/or tenant's additional living expenses.
- * Strata Lot owner's rental income loss.

STRATA LOT OWNER AND/OR TENANT INSURANCE COVERAGE RECOMMENDATION

It is recommended that all Strata Lot owners and/or tenants acquire the applicable coverage:

- * **Personal property,** such as furniture, clothing and similar personal property in the Strata Lot or designated storage space in the building, subject to a deductible.
- * Strata Lot **betterments and/or improvements** completed at a Strata Lot owner's expense, such as upgraded flooring, millwork, fixtures, etc.
- * Additional Living Expenses incurred by a resident as a result of the insured premises being uninhabitable as a direct result of an insured loss or damage.
- * Loss of rental income incurred by a Strata Lot owner as a result of the insured premises being uninhabitable by the tenant as a result of an insured loss or damage.
- * Strata Corporation's Deductible Chargeback (e.g. Water, Fire) incurred in the event of a claim that originated from within an owner's Strata Lot.

Example

In a rental situation there are three separate parties therefore **there** should be three separate insurance policies (Strata Corporation Policy, Owner's Policy and Tenant's Policy).

Claim Example: "Property Damage" (i.e. Water damage or fire in a Strata Lot)

- * The Strata Corporation's insurance policy handles the damage to the building's common areas subject to the applicable deductible;
- * The Strata Lot owner's policy in a rental situation handles the damage to betterments / improvements and loss of rental income. The Strata Lot owner's policy in an owner occupied Strata Lot handles damage to the Betterments and Improvements, Damage to Personal Contents And Additional Living Expenses for the owner.
